

SPECIALIZED AND STANDARD EQUIPMENT

STATE-OF-THE-ART RESEARCH LABORATORIES

LIVING LABORATORY

THE WATER TOWER

THE PLACE TO BE FOR WATER R&D

Lab and Demo Space at The Water Tower

ANALYTICAL CAPABILITIES

- Ion Chromatograph
- Total Suspended and Dissolved Solids
- Total coliforms and other microbial contaminants in water
- Digital microscopy with phase contrast
- UV/Vis Spectrophotometer
- Turbidity Meter
- Handheld colorimeters
- Combustion Ion Chromatograph
- Digital Polymerase Chain Reaction Instrument
- Glassware sterilization
- Metagenomics Sequencer
- LC/MS/MS
- GC/MS
- ICP/MS

NETWORK OF EXPERTISE

The Water Tower's ecosystem of innovation includes world renowned water experts from universities, utilities, consulting and engineering firms, and other organizations, in addition to in-house expertise of our TWT staff.

RESOURCES TO SUPPORT YOUR WORK

In addition to our three research laboratories, our campus offers access to real water quality flows from nearby F. Wayne Hill Water Resources Center, touchdown workstations, full size cold room, conference rooms, and more to ensure you have the equipment you need to conduct your R&D efforts.

INNOVATE AND ELEVATE

2027 PRICING AND BENEFITS

Demo Area

Space Option	# Available	1 month
Designated Space in TWT Demo Area	6	$4,000
On-Campus Demo Space (other than Demo Area)	unlimited	$4,000

**TWT also hosts technology demonstrations and testing at off-campus facilities in partnership with utilities - please contact TWT for more information.*

Amenities

- Access to real water quality flows from adjacent F. Wayne Hill Water Resources Center, including primary influent, secondary effluent, and advanced treatment effluent
- 24/7 Access to facility, WiFi, and electricity
- Company logo on digital signage in lobby
- Technical analytical consultation by appointment
- Access to TWT network of experts
- Unlimited use of designated areas (based on availability)
- Use of B&W/color printer and scanner
- Invitation to TWT networking events

Laboratories

Lab Bench Rental	12	$2,000
Fume Hood Rental	3	$2,000
Cold Storage Shelf Rental	12	$500

**Prices above do not include analytical testing, chemicals, or consumables - please contact TWT for pricing*

- Unlimited use of lab workstations (based on availability)
- Bench Rental includes access to glassware, ultrapure de-ionized water, balance and microbalance, pH/DO meters, jar tester, and microscope
- 24/7 Access to facility and WiFi
- Company logo on digital signage in lobby
- Technical analytical consultation by appointment
- Access to TWT network of experts.
- Use of personal, secure cabinetry, B&W/color printer, and scanner
- Invitation to TWT networking events

CONDUCT R&D AT TWT

For questions or to set up an introductory meeting, contact us to get started and become a part of our ecosystem of innovation.
