PARTNERSHIP & SPONSORSHIP

2026 OPPORTUNITIES

THE WATER TOWER

ABOUT TWT

The Water Tower (TWT), a water innovation center located in Gwinnett County, Georgia, is a hub for technology development, research, training, and connections.

TWT seeks to forge powerful R&D collaborations, foster economic development, and equip water and wastewater utilities with the research, technology, and training needed to meet current and emerging sector challenges.

WHAT WE DO

EMPOWER THE WATER WORKFORCE

INNOVATE TOMORROW'S WATER SOLUTIONS

TAILOR OPPORTUNITIES FOR COLLABORATION

Why Partner with TWT?

- Be at the forefront of science, technology and talent solutions for current and emerging water challenges.
- Gain recognition as a national thought leader within the water community.
- Forge connections with other pioneering partners in the water industry.
- Get unparalleled access to decision-makers and policy-shapers across the water sector.
- Build relationships that drive business development across the state, nation, and world.
- Amplify your brand within the water community with an online and onsite presence.

PARTNERSHIP PROGRAM

The Water Tower values collaboration. Whether it's supporting our programming through our partnership program or sponsoring one of our annual events, our collaborators are integral to achieving our mission of providing world-class research, fostering technological innovation, and preparing a skilled and knowledgeable water workforce to meet current and emerging challenges in water.

For more information on TWT's Annual Partnership Program, visit www.theh2otower.org/become-a-partner or contact kristan@theh2otower.org.
