# THE PLACE TO BE FOR WATER R&D

Lab Space at The Water Tower

### Network of Expertise

The Water Tower's ecosystem of innovation includes world renowned water experts from universities, utilities, consulting and engineering firms, and other organizations, in addition to in-house expertise of our TWT staff.

### Resources to Support Your Work

In addition to our three laboratories, our campus offers access to real water quality flows from nearby F. Wayne Hill Water Resources Center, touchdown workstations, full size cold room, glassware sterilization, conference rooms, and more to ensure you have the equipment you need to conduct your R&D efforts

# INNOVATE AND ELEVATE
