THE WATER TOWER

# THE PLACE TO BE FOR WATER R&D

Lab and Demo Space at The Water Tower

## ANALYTICAL CAPABILITIES

- Ion Chromatograph
- Total Suspended and Dissolved Solids
- Total coliforms and other microbial contaminants in water
- Digital microscopy with phase contrast
- UV/Vis Spectrophotometer
- Turbidity Meter
- Handheld colorimeters
- Combustion Ion Chromatograph
- Digital Polymerase Chain Reaction Instrument
- Glassware sterilization
- LC/MS/MS
- GC/MS
- ICP/MS

## NETWORK OF EXPERTISE

The Water Tower's ecosystem of innovation includes world renowned water experts from universities, utilities, consulting and engineering firms, and other organizations, in addition to in-house expertise of our TWT staff.

## RESOURCES TO SUPPORT YOUR WORK

In addition to our three research laboratories, our campus offers access to real water quality flows from nearby F. Wayne Hill Water Resources Center, touchdown workstations, full size cold room, conference rooms, and more to ensure you have the equipment you need to conduct your R&D efforts.

# INNOVATE AND ELEVATE

## 2026 PRICING AND BENEFITS

	<i>Space Option</i>	<i># Available</i>	<i>1 month</i>	<i>Amenities</i>
<b>Demo Area</b>	Designated Space in TWT Demo Area	6	\$4,000	<ul style="list-style-type: none"> <li>• Access to real water quality flows from adjacent F. Wayne Hill Water Resources Center, including primary influent, secondary effluent, and tertiary W3</li> <li>• 24/7 Access to facility, WiFi, and electricity</li> <li>• Company logo on digital signage in lobby</li> <li>• Technical analytical consultation by appointment</li> <li>• Access to TWT network of experts</li> <li>• Unlimited use of designated area and Brook conference room (based on availability)</li> <li>• Use of B&amp;W/color printer and scanner</li> <li>• Invitation to TWT networking events</li> </ul>
	On-Campus Demo Space (other than Demo Area)	unlimited	\$4,000	
<p><i>*TWT also hosts technology demonstrations and testing at off-campus facilities in partnership with utilities - please contact TWT for more information.</i></p>				
<b>Laboratories</b>	Lab Bench Rental	12	\$2,000	<ul style="list-style-type: none"> <li>• Unlimited use of lab workstation and Brook conference room (based on availability)</li> <li>• Bench Rental includes access to glassware, ultrapure deo-ionized water, balance and microbalance, pH/DO meters, jar tester, and microscope</li> <li>• 24/7 Access to facility and WiFi</li> <li>• Company logo on digital signage in lobby</li> <li>• Technical analytical consultation by appointment</li> <li>• Access to TWT network of experts.</li> <li>• Use of personal, secure cabinetry, B&amp;W/color printer, and scanner</li> <li>• Invitation to TWT networking events</li> </ul>
	Fume Hood Rental	3	\$2,000	
	Cold Storage Shelf Rental	12	\$500	
<p><i>*Prices above do not include analytical testing, chemicals, or consumables - please contact TWT for pricing</i></p>				

**CONDUCT R&D AT TWT**

For questions or to set up an introductory meeting, contact us to get started and become a part of our ecosystem of innovation.
